

The TRAIL project (September 2015 – February 2018) was funded by the European Commission (Project Erasmus+ KA2 -Strategic Partnerships for adult education) in Greece, England, Spain, France and Sweden. Its aim was to contribute to the definition & implementation of best practices for professionals and educators of Special Education, into the framework of intervention programmes and support of adolescents in the autism spectrum and transition to everyday life.

“Teenagers in the autism spectrum – The road with autism to independent living”
